HOW TO ORDER

- Firstly, measure your room. Don't forget that you will need to allow space for people and manoeuvring chairs around your new **Neos** table.
- Study the **Neos** tables order form. This will help you determine how many extra pairs of leaves you need to purchase to maximize your available room length. (Note: the maximum table extension is 2 extra pairs of leaves – 6 meters total table length.)
- Request a laminate sample swatch set from the Salesdesk. Whilst every endeavour is made to reproduce colors correctly in this brochure, please refer to the laminate sample swatch set for accurate color and finish of tables.
- Order your chosen **Neos** table color/finish using the order form, remembering to add chairs if required, and fax or email this to the Salesdesk. No payment is required at this stage.
- We will send you an order confirmation – please check this carefully. Delivery will be within 5 -7 days to UK (7 – 10 days to Europe) and must be to a business address.
- Every **Neos** table is packaged into boxes which contain full assembly and care instructions:
 - o Table top (pre-fixed to frame/runners) – 2.6 x 1.2 m x 85kg
 - o Table legs and one pair of leaves – 1.4 x 1.17 m x 60kg
 - o Extra leaves (if ordered) – 1.2 x 1.2 m x 22kg (per pair)
- Our invoice is payable on order.
- Bon appétit!
