Alma

The minimalistic shape and elegant details make Alma a distinctive design in itself. But the real magic happens when you are added to the mix. Move, extend, and re-arrange it any way you like to create your very own expression.

The modules of Alma can be combined into many different combinations. The range also includes an armchair and a small sofa. Malibu velvet 8 powder pink.

Aspen

A modern, elegant, and original sofa, Aspen is light on the eye. But it's certainly no light-weight when it comes to customisation. The wide range of options makes it a perfect starting point for creating just the sofa you want.

Malibu velvet 5 blue.

Jay

With a form inspired by nature, it offers exceptional comfort thanks to modern technological solutions. The shell-shaped external frame is made of a composite material used in boats. The quilting and sharp edges, emphasised by the colour of the upholstery, create a dynamic appearance.

Wren

Protected by a round, egg-like shell, Wren offers an oasis of comfort made possible by modern technological solutions. Soft and inviting, yet distinctly designed, it's got everything you can possibly wish for in a new favourite chair.

Robin

Related, but also the one that really stands out. The unique edges and harmonious sections of the armchair seat and backrest make it a piece of furniture that demands attention, and rewards it with reassuring comfort.

Finch

The Finch coffee table was created with proportions and aesthetics that perfectly supplement the functionality and beauty of the collection.

Olaf

Olaf spreads its wings wider, to offer even more room in the comfort zone. Like the other chairs in the collection it is inspired by nature, mixing natural materials like feather fillings with modern technological solutions to create exceptional comfort.

Lara

Make it easy on yourself! Lara welcomes you with open arms, straight lines and soft rounded shapes that will fit comfortably into any living room.

Dino

This Dino collection will never fall, at least not short of options. With a multitude of different modules you can easily create your arrangement to enrich any interior. And to further add to the wealth of options, Dino is available in many different upholstery fabrics.

Elmas 15 grey.

Decoration pillows not included

Montaine

The curvy elegance of Montaine brings contemporary style to any interior, draws you in and wraps you in comfort. The choice of fabric or leather finetunes the furniture to your preferences, along with the option of wooden or metal feet.

Cosette

Let's give minimalism a friendly twist. The cubic shape of the Cosette seats is made gentle by original stitching. Exceptionally large seats, with highly-elastic foam and a wide range of solutions the backrest help make Cosette a modern seating solution that is anything but square.

The large modules of Cosette are designed to be big enough for sleeping. Perfect for the occasional nap or when you have over-night guests. Gobi kotton 4 light grey.

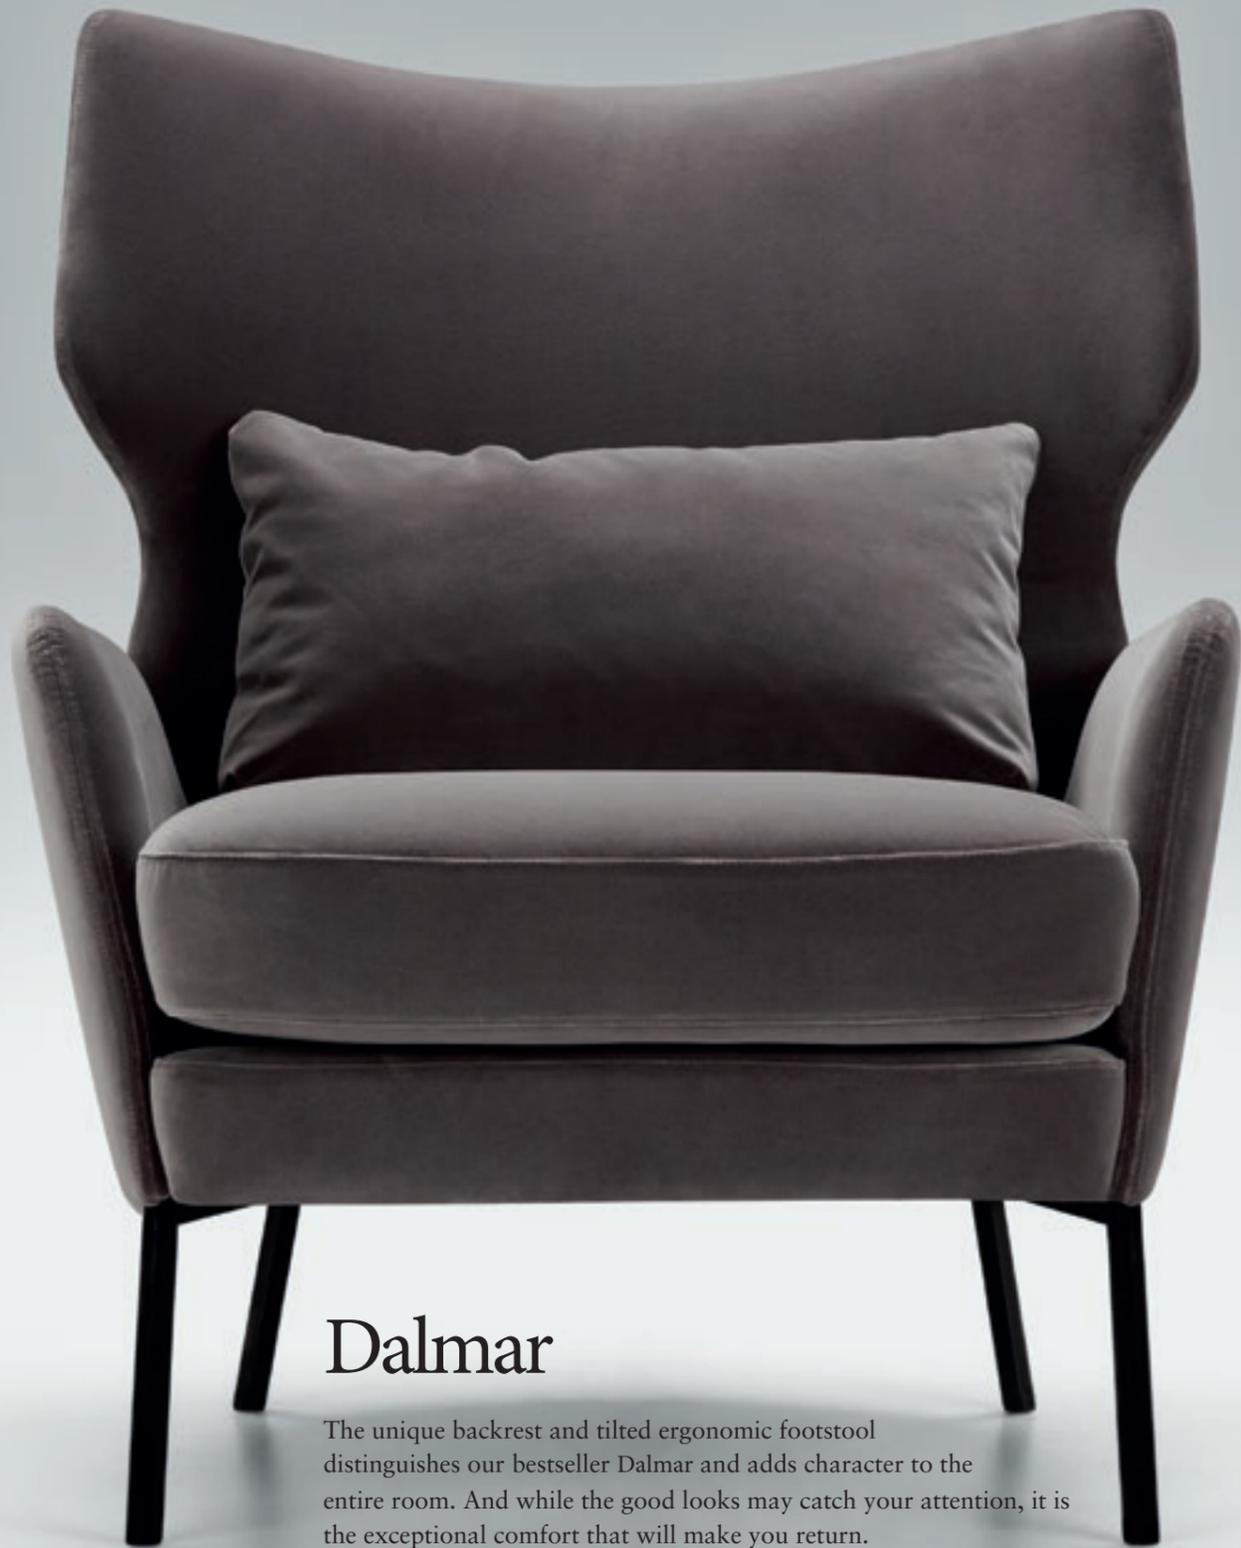

Erik

Light on its feet, yet convincingly stable. The design of Erik delivers on the promise made by the shiny steel frame and the equally well-balanced upholstery. A young and dynamic look, that fits well into any interior.

Dalmar

The unique backrest and tilted ergonomic footstool distinguishes our bestseller Dalmar and adds character to the entire room. And while the good looks may catch your attention, it is the exceptional comfort that will make you return.

Lena

A simple design that allows more room for comfort. That is the philosophy behind Lena. Comfortable backrests and cushions turns the sofa into the perfect retreat, appearing to hover over ground thanks to the almost invisible legs.

Every module is freestanding, to give you even more options and flexibility. Risco runner 1 natur.

Evie

A classic look never goes out of style. The perfect proportions with simple, but characteristically shaped armrests make Evie a contender for the easychair Hall of Fame. A neckrest pillow provides comfort and the high, thin wooden legs add to the slender silhouette.

*When you want to put your feet up, why not do it on Evie's matching ergonomic footstool?
Avatar 1 natur.*

Matisse

This one is for the experienced connoisseurs among us. Those who appreciate large, comfortable seats. Not to mention a high seat, that isn't too deep nor too soft. But to enjoy the sophisticated combination of curves and the simplicity of the cushions, well those are qualities everyone will treasure.

Freya

Taking inspiration from the sleek style of the 70's does not prevent Freya from fitting right into a modern interior. The unique design is achieved through the simplicity of the seat, and by allowing a single wooden element double up as armrest as well as leg.

Avatar 4 dark grey.

Imbrika

How do you want your sofa to look? Add your own personal touch by choosing metal or wooden legs. You can also choose the type of armrest, add armrest cushions, and opt for a fixed or removable cover. All these touches will help give Impulse your unique style.

Specchio 1 natur.

Deon

The Deon chair is bound to spark an interest wherever it is placed. And don't let the petite and truly unique throne-like look fool you. There is plenty of ergonomic comfort hidden within the highly-elastic foam and lumbar cushions.

Country 13 antracite.

Alba

Take a thick and springy seat, add a soft back cushion with decorative buttons, and a rounded backrest that seems to embrace you. If you do it right you'll end up with Alba – the quintessence of comfort. Our version also comes with a bonus: Each part of this armchair can be made of a different type of fabric.

Specchio 4 navy blue. Malibu velvet 4 turquoise.

Opal

The clue is in the cushions. A high resilient foam guarantees comfort and the smooth look of the seat and rear surface. Opal also offers the choice of comfort lux or standard cushions with stitching to provide an individual and sensual touch.

Science mores 5 light grey.

Saige

A clearly defined geometric shape combined with soft, delicate, feather-filled seats – what’s not to love about that? Wide armrests and the use of a frame with metal legs further accentuates this modern yet highly practical piece of furniture. And there’s more: The collection consists of many items that can be freely arranged to fit your desire.

Gobi kotton 3 pink.

Demi

Created as a celebration of all the fun and diversity we love about design, Demi leaves you with an impression that lasts. Irresistibly confident, playful and no stranger to play around with colours, fabrics and patterns.

Elyot 4 salmon.

Sven

Sven puts comfort first. A timeless design, with two different seat depths allows you to relax and unwind. Put your feet up on the footstool and return to the real you.

Touch 8 cognac.

Jonah

Comfort is in the details. Like a cushion roll that supports your head at just the right height as you lie down to catch a nap or a movie. It's just one of the advantages of Jonah. You're more than welcome to discover the others.

Drom 02 beige, detail: Touch 8 cognac.

Alvar

Arrange it any way you like – the possibilities are endless! Choose your favourites from a wide range of freestanding and connectable units or pick one of the ready-made sets. For this model we are also proud to offer our new comfort option, which features luxurious cushions filled with allergen-free silicone balls.

Astone

Why change a winning concept? A clean, modern design, with comfortable cushions and plenty of room. Solid in every sense of the word, yet gracious and elegant, it's a natural fit into any modern interior.

Touch 6 black. King 1 natur.

Shiloh

A sofa that allows for innovative interior arrangements. The chaises longues, benches, sofas and cushions come in various sizes, and can be arranged any way you prefer. Note the back cushions with rollers on the inner side; with these, you can create gentle slopes and curves and soften the right angle of the settee back.

Dover 4 blue-grey. Gobi kotton 1 nature.

Leo

The lightness of style, characterised by well-defined lines, makes Leo stand out from the crowd. Accompanied by a footstool it turns into an elegant easy chair. Available with or without buttons, and with the choice of fabric or leather cover.

The low armrest puts your arms in a natural, ergonomic position. Luis 1 white.

Sobey

Perfectly balanced proportions with a futuristic edge. It's a look that is modern, light and bound to make an impression. Especially when you take a seat. Because despite the contemporary design, it offers plenty of good, old-fashioned comfort.

Sobey is made with Dynaflex, which provides elastic comfort in a thin frame. Divine 40 light blue.

Mabel

Once the first surprise from the playful and strikingly different design has settled, you're ready for the next: Mabel is also surprisingly comfy. From there you're ready to go into detail, with the soft fabrics and stitchings that showcase the workmanship that goes into this sofa. But were you really expecting anything else?

Mattis 54 light grey.

Eva

Lovers of modernity and tradition unite, this one's for you. With a wide backrest and classic legs, this chair blends into well into any setting, with a confident and stylish presence. If you want to make your interior pop a little more, why not choose buttons in another colour for added effect?

Caleido stampato 7 turquoise.

Shore

Retro, yet at the same time anything but nostalgic. This design takes a Scandinavian look, adds inspiration from the timeless designs of the 50's and comes up with a strikingly contemporary feel. Add stylish buttons and a wide range of different fabrics and colours to play around with. The result is quite simply charming.

Tweedy 5 black-white.

Antoine

Petite. Chic. Elegant. Comfortable. Though not necessarily in that order. Antoine is what you make of it. But we can promise you one thing: it will not go un-noticed. With vertical stripes and its chubby shape this chair proves that being small should never stop you from making a big impression.

Lario 58 blue.

Belle

Offering the versatility of a pouffe, but equipped with a profiled backrest for seating comfort, Belle plays many parts. The handy size means it's easy to move around to wherever you feel there's a need for an extra seat, or just a stylish companion piece of furniture.

Palais

If you like traditional forms with a modern look, you're in for a treat. The classic origin of this sofa manifests itself through its gentle, rounded line and the quilting on the backrest. Balanced by a light shape and high legs, the expression is one that fits right into a contemporary surrounding.

Vireal 7 light turquoise.

City

Minimalist in everything but comfort. This is a sofa designed for modern interiors, sophisticated in terms of design and modular furniture. Arrange it yourself or choose from our suggested sets, all with thicker seat cushions filled with highly flexible foam or natural down.

Classic velvet 4 light grey. Touch 6 black.

Tucky

With straight lines, ideal proportions and minimalist aesthetics, this sofa is your canvas. Select a smooth, neutral upholstery and Tucky will be a casual complement to any interior design. Or go for a more vivid hue or patterned fabric to transform the sofa into a true centrepiece.

Lario 58 blue.

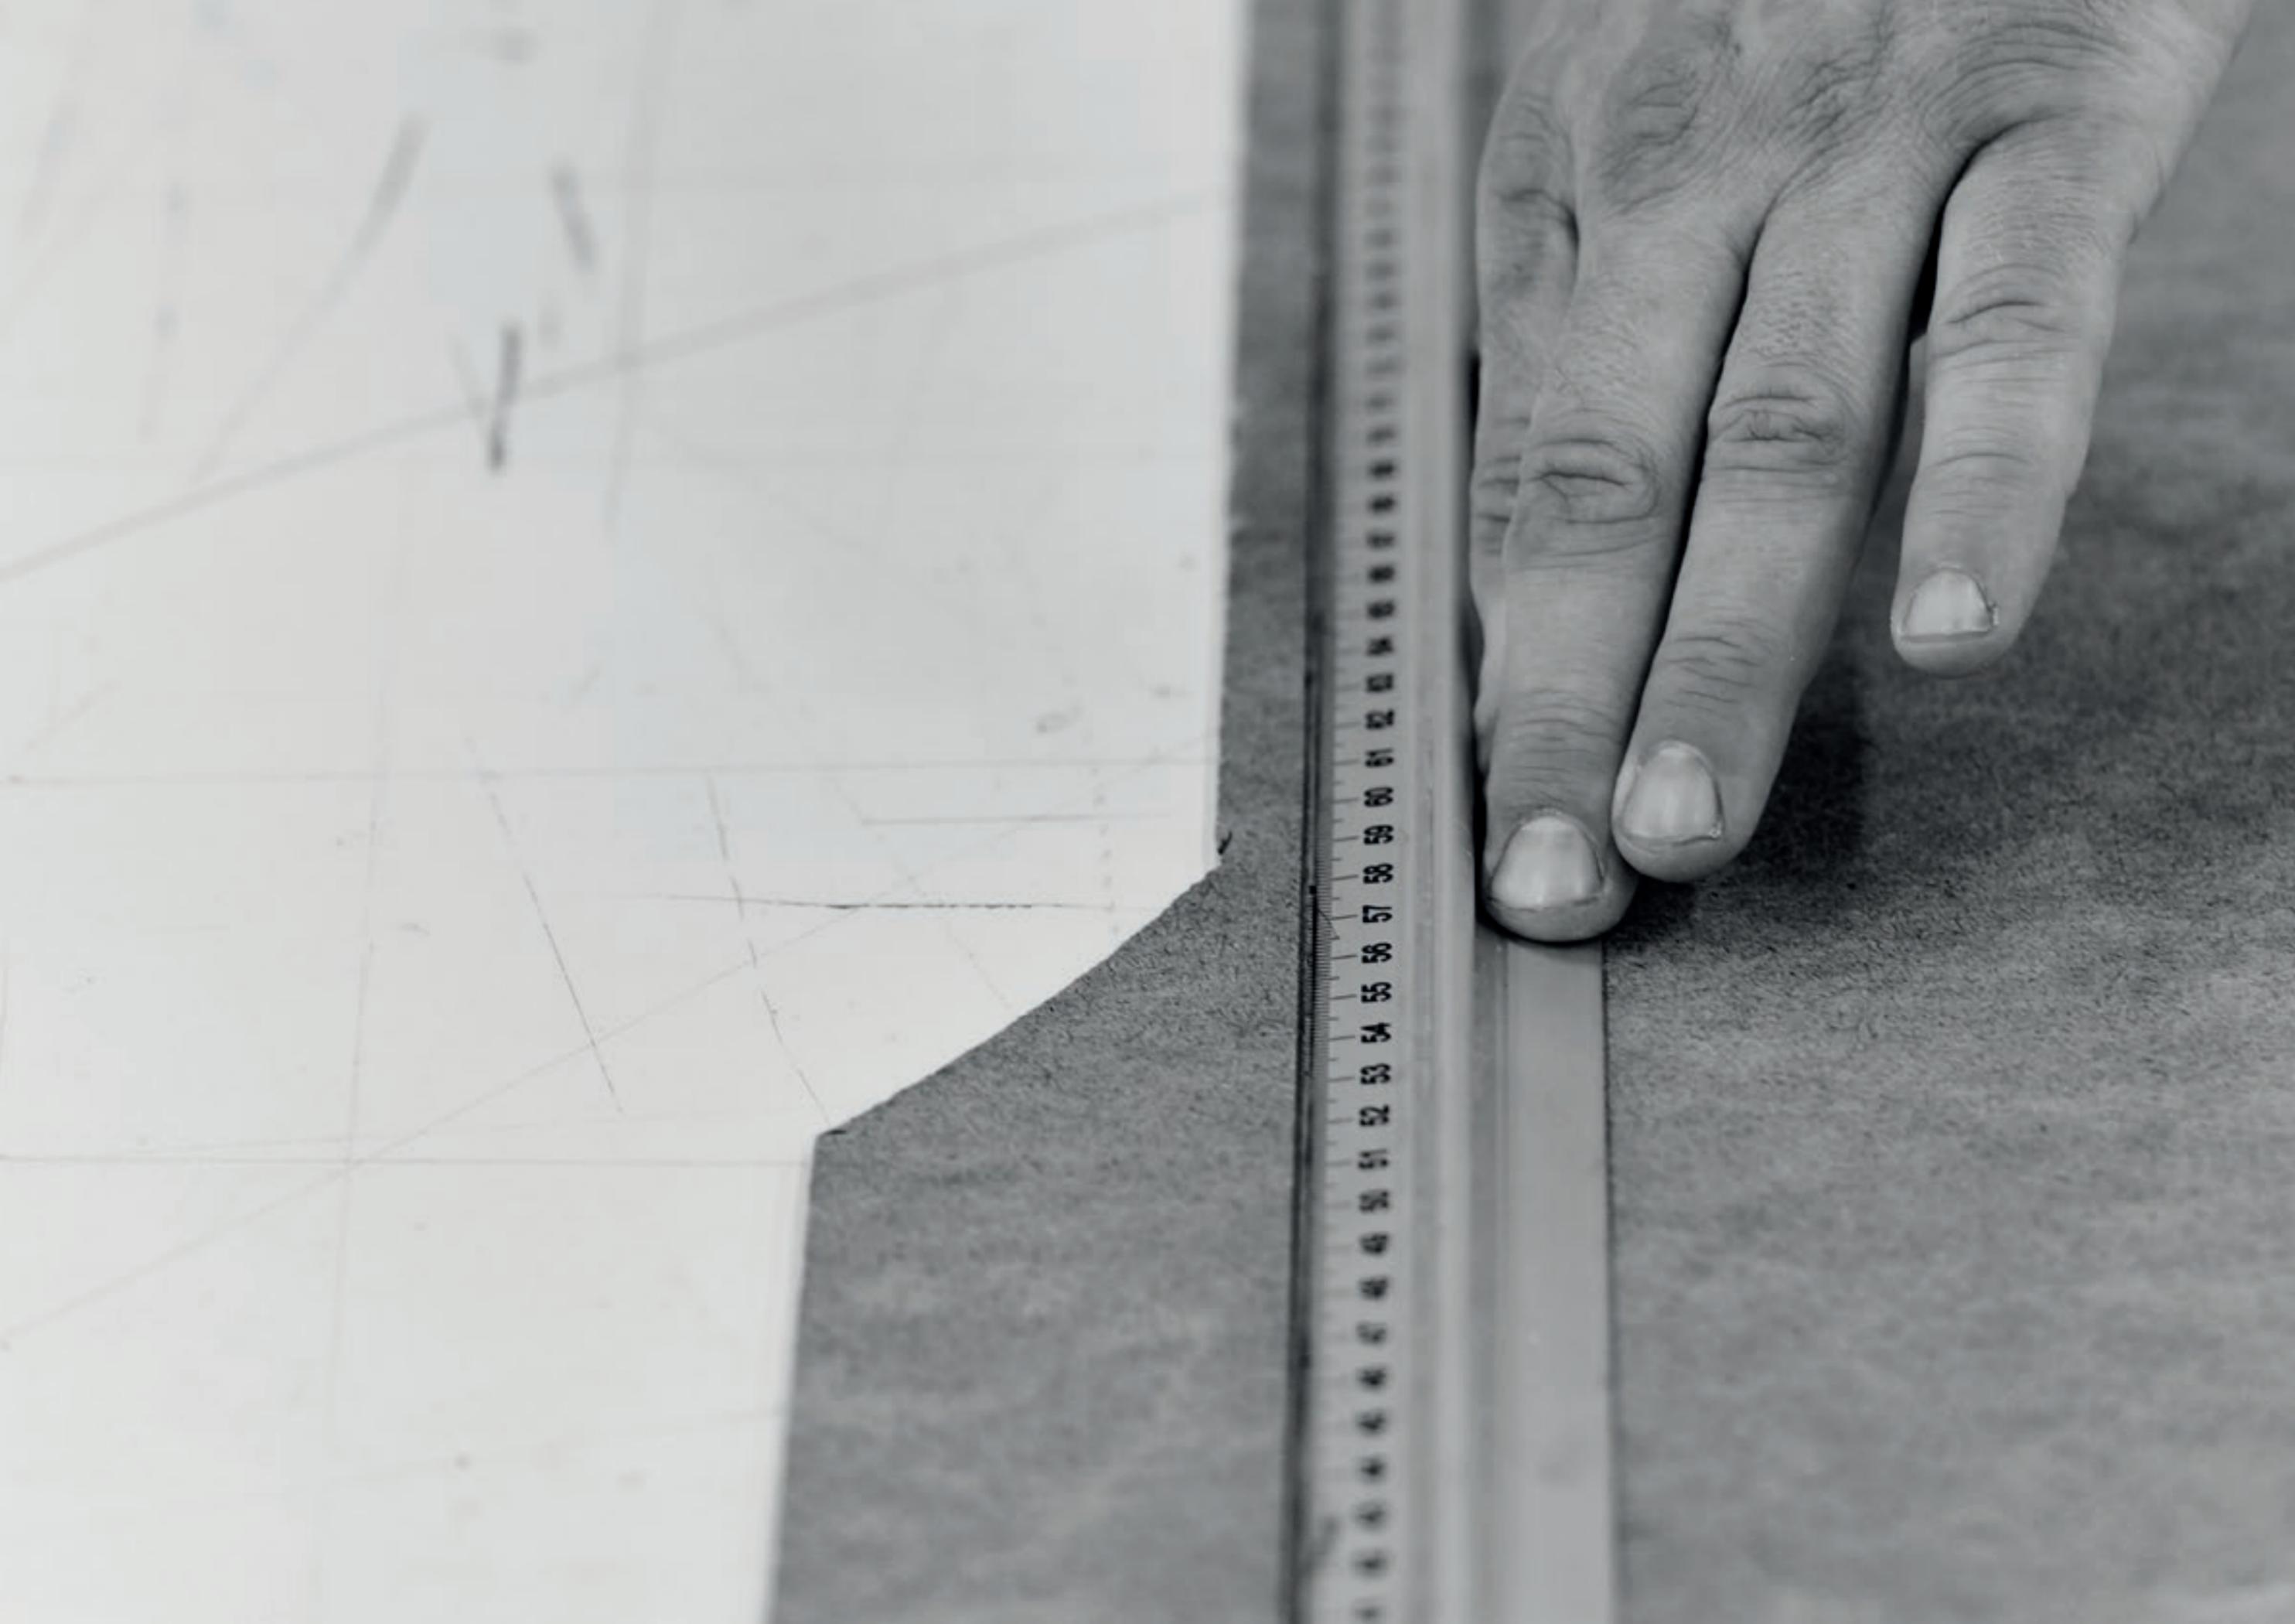

Regan

Don't you just love it when things are just right? When a sofa is neither too low nor too high, or when the cushions are neither too soft nor too hard, but just right? Part of the secret is the beautifully formed legs, that elevate the body to a comfortable height.

King 4 light grey.

Sian

Comfort all around, that's what Sian is about. Want to use the armrest as your backrest? No problem, we've made both just as soft and comfy. And thanks to the modular design, you can create your own arrangement, including your choice of legs and fabric or leather cover.

Briza 1 nature.

Will

Invitingly generous and confidently stylish, Will is not afraid to make you look twice. A chair that really proves how clean, simple design can be the recipe for something out of the ordinary.

Lario 54 dark blue.

Juna

Is it one armchair or two? Depending on which legs you choose, Juna takes on a whole different expression. From the Scandinavian style wooden legs, to the stylish swivel base with built in tilt which lends an international touch suitable for public spaces or offices.

Country 12 grey. Dion 11 dark blue.

Aurora

Simply stylish. With the shape of the seat and the unusually decorative base we can't think of a better way to describe Aurora. The seat of the armchair will surround you with a sense of comfort and peace. The light weight of the armchair is ensured by its base, which can be either a metal frame or a swivel leg. In either option, the armchair will shine and bring extra light into your interior.

Malibu velvet 3 light turquoise.

Blythe

Allow us to introduce an armchair with the power to create style. An innovative reference to the classic designs of 70's, Blythe mixes seamlessly into any style-conscious space. Pick the swivel chair for a retro feel, or the metal frame for a modern look.

*Malibu velvet 4 turquoise.
Yeti 9 black white.*

Willow

Bold, confident and comfy. Willow claims its space like few others. To add to the personality it comes in two versions – with or without buttons. And to really make your mark why not go for piping in a contrasting colour?

Avatar 4 dark grey.

Harper

A recliner is for taking it easy, what else? And no chair proves the point better than Harper, with added points for looking good even when it's on standby. Available in a number of different covers and cushioning options, Harper is guaranteed to ease into any interior.

Aniline 2 cognac.

Nora

Whether it's to enjoy a movie or just to catch a moment for yourself for a moment, there is no reason you shouldn't be able to lean back in style. To make life even easier, our new recliner tilts you into your desired position using no less than two electrical motors.

*Malibu velvet 1 light grey. Aniline 5 sand.
Specchio 9 light grey.*

Ivanka

Some easychairs are easier than others. In Ivanka you don't even have to lean back to lean back. The built-in motor will tilt the chair to your liking for you. All you have to do, as the name suggests, is relax.

Gobi kotton 2 beige Aniline 5 sand.

Prairie

A table with an attitude. Minimalistic legs in metal carry the handmade tabletops in architectural concrete or best quality wood. Rectangular, square and round shapes are available and it is possible to combine into a two level table.

Classic

The Classic Coffee table is a minimalist design that is as delightfully simple as it is elegant. A classic frame in stainless or chromed steel, combined with a white, gray or black top.

Design: Niels Gammelgaard.

Faye

Does this sofa feel familiar to you? If it does, it might not come as a surprise to find out that the designers reached back to the 70's for inspiration and came up with a piece of furniture that has great contemporary appeal. The richness of colour, textures and additional armrest cushions adds a modern touch.

The armrest cushions are held in place with zippers.
Linen P823 6 spruce.

Cameo

With its classic form and ideal proportions Cameo will delight you for years. Light wooden feet makes it take on a classic Scandinavian appearance. Pick black metal feet to add a modern character. And mix modules to create your very own expression.

Cleo

Allow us to introduce a classic: The Cleo family has been a staple for years. A straight-forward, timeless design that offers soft, comfortable seating no matter which of all the different options you choose.

King 1 natur.

Vogue

Vogue is made to look like you want it to. The simple design invites you to explore colours, fabrics, feet and even different extensions for the backrest. No matter what you choose, it will always be as stylish as it is comfortable. And the high seat will allow for easy access to everyday comfort.

Yeti 2 grey-beige. Touch 4 stone. Classic velvet 4 light grey.

Ardor

Looks are important, but it's what's inside that really matters. At least when it comes to comfortable seating. The pocket springs, the high-resilient foam and a soft top of cushions containing a mix of down, feathers and fiberwool balls provide a level of comfort that quite simply has to be experienced.

Vireal 6 light grey.

Envol

A classic design that is unaffected by time – and will continue to be so, thanks to the resilient, highly elastic foam filling that keeps Phoenix in shape year after year. As a bonus, it comes with two extra cushions.

Rosa

A truly classic look, with rounded armrests, and pointed envelope-shaped cushions. Surely we're not the only ones who have a soft spot for this combination of traditional design and a contemporary selection of fabrics and colours?

Malibu velvet 2 grey.

Venice

There's something about Venice. Maybe it's the enchantingly simple cubic shape, or perhaps it's the gentle, slim legs that give this piece of furniture its subtlety and balanced shape. Either way, we think you'll enjoy the company of it, as much as you'll enjoy the company of others around the table.

Aniline 6 opal. Vireal 4 brown.

Viggy

Viggy takes an upholstered seat and a wooden frame to create a simple, everyday chair for any space. From there it's up to you. Take your pick from an unlimited selection of fabric or leather. And why not add a little extra energy to your space by mixing different colours around the table?

Nancy 4 grey beige.
